Such adjustments may be made upon the superintendent's recommendation or at the will of the Board and in conformity to the provisions of the Act 93 agreement in effect at that time.

Procedure

An Administrative Evaluation Record will be completed for each administrator before the start of the subsequent school year. The record will include provisions for the numerical rating and for written comments by the evaluator as well as specific detail and references in the rubric.

A copy of the record will be presented to and discussed with each administrator. Should there be a conflict and disagreement regarding the evaluation, the administrator must complete and submit a response within ten school days. The response may result in a follow up conference with the superintendent. The response will be attached to the evaluation and included in the professional employment file.

Should a disagreement occur regarding the evaluation impact on compensation, the employee will notify the superintendent in writing within ten school days. The matter will be resolved via appeal process included in the Act 93 agreement in effect at that time.
