

COACHING VACANCIES

Upon the vacancy of a head coaching position in the district, all assistant coaches will resign their positions. All assistants will be encouraged to apply for the head coaching position and/or to re-apply for the assistant coach position(s) following the appointment of the head coach. This policy allows the head coach of a team to participate in the selection of that team's assistant coaches.

This policy will take effect July 1, 1995.
