

APPENDIX I

§300.240

INTERMEDIATE UNIT 20:

OTHER REQUIREMENTS

APPENDIX I

District Special Education Directors have been kept informed at monthly meetings of the Colonial Northampton Intermediate Unit's role in providing special education services to district children with I.D.E.A. funds. Districts have requested services from those areas of the I.D.E.A. budget which provide early intervention services, extended school year services, technical assistance and support to teachers in behavior management, transition for 16-21 year old students in preparation for adult life, mobility services, work experience services, and contracted pupil personnel services.
