

Open Meeting Reminder
Thursday, December 2nd
7:00p in the Library

All parents, grandparents, guardians, teachers and faculty are welcome!

To start the night off, Avona teachers will be presenting what our children are learning in Math. They will answer many of the questions so many parents have been asking regarding math terms, the logic behind some of the math that is being taught such as problem solving and the basis for algebra.

Following the Math presentation, PTA will have its general meeting. Some of the topics we will be reporting on are the Harvest Festival, the fall fundraiser, sportswear sale and Book Bingo. Mr. Wright is also interested in hearing feedback from the parents on the new report cards.

Light refreshments will be served.

Due to basketball taking place in the all purpose room, babysitting will **not** be available.
