

Happy Holidays from Avona PTA!

Inside you have found a t-shirt and
Crayola Fabric Markers.

With some help from your parents or guardians
we would like you to have some fun and create your own
Avona All-Star T-Shirt.

Now Mark Your Calendars for
Tuesday, February 8, 2005

This date, has been proclaimed as
“**Wear Your Own Created Avona All Star T-Shirt Day**”.
An assembly has been scheduled and the whole school
will get to see the t-shirt you have designed.

Have fun, be created and please have an adult help you
follow the instructions below or the back of the marker box:

1) Place sheets of paper under your fabric to prevent bleed-through.
Use the markers to draw a design, or trace an image.
Make sure to saturate the cloth with marker ink. Let Dry.

2) DESIGNS MUST BE HEAT SET BY AN ADULT.

By Iron: Set Iron to cotton setting.
Iron the REVERSE side of your design
using a back and forth motion for 4 minutes.

or

Tumble Dry: Place your t-shirt in the dryer
for 30 minutes on the hottest setting.
Do not place in dryer with other garments.

To prevent bleeding during wash cycle, wash the garment separately for the first
3 washings in cold water. You may machine dry the design between washings.

These instructions will be on our website at www.wilsonareasd.org/pta/avona
or email the PTA at avonapta@yahoo.com with questions.

Have a safe and Happy New Year from Avona Elementary PTA!
