7:00p in the Library

All parents, grandparents, guardians, teachers and faculty are welcome!

Guest speaker topic: The Dark Side of the Internet

Those Pop-up ads may be evidence of intruders infecting your computer with malicious programs. Left untreated, your PC could slow to a crawl, crash, result in damaged files, lead to data and/or identity theft. Come learn what you can do to protect your family and PC against adware, spyware, viruses, Phishing schemes and Internet hackers, some of which work for organized crime. Presented by our Webmaster, Bill Smyth.

Immediately following Mr. Smyth's talk, Avona PTA will hold its' general meeting. Topics for discussion include, 5th grade swim party, movie night selections, etiquette class and the field trips for 4th & 5th grades. Please come and share your voice.

Light refreshments will be served.

Due to basketball taking place in the all purpose room, babysitting will *not* be available.
