

CHAPERONE FORM

Fourth Grade – Mrs. Babp

Avona PTA is in need of your help. In order for our students to go on class trips, we need chaperones. Below is the list of trips the fourth grade students will be going on. Also, the number of chaperones required to go on the trip is next to it along with dates if available.

Please check the box next to the trip/trips you are interested in chaperoning. Remember, you can sign up for as many as you want. If more people sign up for the trip than needed, Mr. Wright will be drawing the names. Just because your name was picked for one trip, does NOT mean you can not go on another trip. If you checked off the box, your name will be entered.

If any one has any questions or concerns regarding this procedure, please contact Cathy Smyth, 610-438-3833 or Leslie Ziemba, 610-515-0313. Thank you!
