

Computer Camp 2005

Every 5th grade student has the opportunity to attend a weeklong session held at Philip Lauer Middle School. The cost of the session is \$65. The PTA has budgeted \$650.00 toward Computer Camp.

If more than ten students sign up and complete the course, the PTA will pro-rate the expense according to the number of Avona students that participated. You will be reimbursed only if you complete all five days of the course.

We would like to encourage EVERY student to sign up and attend this very informative course. We have heard many positive things about the course from students who have attended it in past years.

Attached is your application with more details. Please return your application and check made out to the Wilson Area School District for \$65.00 to the school by May 9th so I can get them to PLMS by the deadline of May 31.

Any questions call Cathy Smyth at 610-438-3833.

THANK YOU!
