

Dear Parents,

Thanks to parents and friends of our school, we have been able to provide our students with many extras to improve the quality of their education. The income from this sale will be used for educational and social development, class trips, assemblies and much more.

We do not want the students selling door-to-door. We are asking parents to show the brochures and take orders from friends, relatives, and co-workers. Your support and cooperation will be greatly appreciated, as this is a voluntary program that will benefit our school and our students in many ways.
