PTA OBJECTIVES

To promote the welfare of children and youth in the home, school, community and place of worship.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents may cooperate intelligently in the education of children.

To develop between educators and the general public such united efforts as will secure for all children and youth the highest advantages in physical, mental, social and spiritual education.
