

# Change in Volunteer Policy

As of July 16, 2007, every volunteer must have the following clearances: Pennsylvania State Criminal History Record, Child Abuse Report, and an FBI Criminal History Report. Volunteers may not volunteer or go on class trips until these clearances are on file at Avona Elementary. Volunteers must have the Pennsylvania State Criminal History Record and the Child Abuse Report returned and waiting for the FBI results to come back in order to volunteer. The only exception is the parents that had these clearances on file in the office prior to the end of the 2006- 2007 school year.

If you have any questions or need forms please call me at (610) 559-3897. The forms are also available in the Avona office.

The Avona PTA will reimburse parents once they have volunteered six times.

The Wilson Area School District has the same goal that we do, to keep our children safe.

Sincerely,

Toniann Johnson  
Avona PTA President
