

# Wilson Borough El Sch

## Mission Statement

The vision for the Wilson Borough Elementary is to be a student and community-focused school that provides all children with practical and educational learning experiences that allow students to grow both intellectually and socially. Teachers, staff, and families will help inspire, challenge, and equip all students to reach their fullest potential. The goal for all children is to become outstanding communicators, collaborators, and critical and creative thinkers. Students will leave Wilson Borough Elementary School having met core benchmark academic skills prepared to learn at the Intermediate school. Students will embody the W.A.R.R.I.O.R. values and attempt to meet these expectations on a daily basis.

## Established Priorities

Teachers will need to assess student background knowledge continuously as new skills and concepts are introduced and taught to mastery.

Increase the ability to provide assistance, practice, and formative assessment in both core instruction and intervention.

Increase the ability to provide assistance, practice, and formative assessment in both core instruction and intervention.

## Measurable Goals

**Students will be able to demonstrate continuous growth in math and ELA as measured using Acadience and Study Island assessments throughout the 2020-2021 school year.**

Family and Student Engagement

Leveled literacy intervention and RTII

High-quality, evidence-based math program and curriculum

**The students with disabilities subgroup will show growth in Reading as demonstrated on benchmark assessments using Acadience and Study Island throughout the 2020-2021 school year.**

Family and Student Engagement

Leveled literacy intervention and RTII

**The students with disabilities will show growth in mathematical understanding as demonstrated on math benchmark assessments using Acadience and Study Island throughout the 2020-2021 school year.**
